

Does your organization want to expand into new markets, reach new people, demonstrate your support in improving the lives of children in your community? If the answer is yes, you may want to know more about the Central Texas Wolf Pack, and become a team sponsor.

The Central Texas Wolf Pack operates under the direction of the Central Texas Public Safety Sports Team and is a member of the National Public Safety Football League (www.NPFSL.com). The Wolf Pack football team consists of local public safety officials from across Central Texas; law enforcement officers, firefighters, corrections officers, and EMTs – not to mention members of the United States Military.

Our goal is to raise charitable funds to help support athletic programs with the East Communities YMCA in an effort to help at-risk kids have the opportunity to participate in organized athletics. We strive to see that all children have the same opportunities for future success. Participation in organized athletics will help these kids develop improved skills athletically, as well as to develop teamwork, commitment and discipline – all traits that will improve their chances for success in the future.

In 2010 the Wolf Pack will begin the road to a National Championship in the NPSFL. The Pack will have in-state rival games against the Dallas Defenders and the Houston Gunners – as well as games against the Cleveland Warriors and the Los Angeles Centurions of the LAPD, in Los Angeles.

We ask anyone who is interested in showing their support for the Central Texas Wolf Pack to please take the time to review the enclosed sponsorship packages. To become a sponsor, please complete the enclosed form and mail it to:
